

Appointment of the State Recovery Controller made under section 6.4 of the *State Emergency Management Policy*.

WESTERN AUSTRALIA

State Emergency Management Policy

APPOINTMENT OF THE STATE RECOVERY CONTROLLER

I, Mark McGowan, Premier of Western Australia, hereby appoint,

Melissa Pexton, as the State Recovery Controller for the incident of Tropical Cyclone Seroja.

This appointment is made pursuant to section 6.4 of the State Emergency Management Policy and made in accordance with State Emergency Management Recovery Procedure 5.

The State Recovery Controller holds the responsibility for ensuring the provision of coordinated recovery support to emergency affected communities through the direction and coordination of resources made available by public authorities and other persons.

The State Recovery Controller is responsible for coordinating and directing State-level recovery in accordance with State Emergency Management Policy section 6.4 and State Emergency Management Plan section 6.

Signed:

A handwritten signature in black ink, appearing to read "Mark McGowan".

Date:

15 APR 2021

Mark McGowan
Premier of Western Australia
